East Greenbush Community Library	10 Community Way E. Greenbush 12061	ESOL Mixed Levels	Mon & Wed	9:00am-12:00pm	Must be 21+

How to enroll: Students enrolling in a Questar III Adult Literacy program are required to participate in a skills assessment. Students pay a \$35.00 non-refundable testing/registration fee (money order only) at the time of assessment. If an agency or community service is paying the registration fee, then the student must bring a letter from the agency verifying the agency’s willingness to do so at the time of assessment. **Students can petition to reduce or waive the fee if they cannot afford it.**

The fee is good for one year of continuous enrollment. Initial registration and assessment for all programs is done by appointment only. **All Students must present a valid government issued picture ID at the assessment.** Please call our office number listed above or email to make an appointment. If no answer, please leave message. Please repeat your phone number slowly a couple of times.

Questar III recognizes that in order to make academic progress in our programs that students will only be successful if they attend regularly. Therefore, all the above Questar III Adult Education classes have a strict **80% attendance policy**. Interested persons should make sure they can commit to this policy before enrolling in the program
