

## **SUSPECTED CHILD ABUSE AND MALTREATMENT**

### **I. Obligation to Report Suspected Abuse or Maltreatment**

Any school official or employee who is a mandated reporter who has reasonable cause to suspect that a child, less than 18 years old, coming before them in their professional or official capacity has been subjected to abuse or maltreatment by a parent, person in parental relation, or other person legally responsible for the child's care, shall immediately report the case to the New York State Child Abuse and Maltreatment Register, in accordance with law and this policy. (See Administrative Regulation 3-116R(I)(A),(B) for the definitions of "abused child" and "neglected or maltreated child").

Mandated reporters under Section 413 of the Social Services Law include but are not limited to: physicians, psychologists, registered nurses, social workers, school officials, school teachers, school guidance counselors, school psychologists, school social workers, school nurses, school administrators, any other school personnel required to hold a teaching or administrative license or certificate, or a full or part-time compensated school employee required to hold a temporary coaching license or a professional coaching certificate. (See Administrative Regulation 3-116R(I)(E)).

Mandated reporters who have reasonable cause to suspect that a child has been subjected to abuse or maltreatment must promptly make a report to the New York Statewide Central Register for Child Abuse and Maltreatment. After making such a report, the mandated reporter should then notify the building principal. However, the building principal shall not require mandated reporters to first come to him/her with any suspected child abuse or maltreatment before reporting same to the New York Statewide Central Register for Child Abuse and Maltreatment.

### **II. Reporting to State Office of Children and Family Services**

The report to the NYS Central Register of Child Abuse and Maltreatment shall be made by telephone or via facsimile on a form supplied by the New York State Office of Children and Family Services. Telephone reports can be made through the hotline: (800) 342-3720. School administrators and teachers can also report suspected abuse or mistreatment to: (800) 635-1522.

After an oral report has been made, a written report on a form supplied by the New York State Office of Children and Family Services must be submitted to the appropriate local child protective service (unless a report must be made to the NYS Central Register of Child Abuse and Maltreatment in accordance with NYSOCFS requirements). Any report shall include the name, title and contact information for every staff person who is believed to have direct knowledge of the allegations in the report.

Upon being notified of the report, the building principal or their designated agent will take or cause to be taken color photographs of visible trauma and shall, if medically indicated, cause a radiological examination of the child to be performed.

III. No Contact with Child's Family Regarding Suspicions

School employees and officials shall not contact the child's family or any other person to determine the cause of the suspected abuse or maltreatment. It is not the legal responsibility of the school official or employee to prove that the child has been abused or maltreated.

IV. Reporting Obligation in Case of the Death of a Child

Any mandated reporter who has cause to suspect that the death of any child is a result of child abuse or maltreatment shall report that fact to the appropriate medical examiner or coroner.

V. Consequences of Failure to Report

In accordance with New York law, any person, official or institution required to report suspected child abuse or maltreatment and who fails to do so may be guilty of a Class A misdemeanor and may be held liable for the damages caused by his/her failure to report.

VI. Immunity and Other Protections

The law grants persons, officials and institutions and others who in good faith report suspected instances of child abuse or maltreatment immunity from any liability that otherwise might be incurred. Immunity shall be presumed so long as the official or employee was discharging their official duties and acting within the scope of their employment, and that liability did not result from willful misconduct or from their gross negligence.

Questar III shall not take any retaliatory personnel action against an employee because such employee believes that he or she has reasonable cause to suspect that a child is an abused or maltreated child and that employee therefore makes a report in accordance with the Social Services Law and this policy.

VII. Cooperation with C.P.S. Investigations

Questar III shall cooperate to the fullest extent possible with law enforcement and authorized child protective services workers in their investigations of alleged child abuse or maltreatment.

VIII. Staff Training Program

Questar III shall provide or recommend training programs to address the identification and reporting of child abuse and maltreatment for all newly certified employees and refresher programs for previously trained employees.

IX. Administrative Regulations and Policy Dissemination

Questar III's District Superintendent has promulgated regulations to carry out this policy. This policy and the regulations adopted administratively to implement and enforce it shall be printed in all employee handbooks.

Mandated reporters shall immediately report the case to the New York State Child Abuse and Maltreatment Register, in accordance with law and this policy as follows:

1. Telephone the New York State Central Register of Child Abuse and Maltreatment hotline (800) 635-1522 and inform them of the case. The reporter shall note the case number assigned to the report and the person to whom he/she spoke. The reporter shall request that the child protective services agency advise Questar III of the outcome of the report.
  2. File a written report with the local child protective services agency within forty-eight (48) hours after the oral or facsimile report made pursuant to II.A.(1), above, except that written reports regarding children in residential care are to be made to the NYS Central Register of Child Abuse and Maltreatment.
  3. Report cases of suspected child abuse or maltreatment to his or her building principal promptly. However, the building principal shall not require reporters to first come to him or her with any such suspected cases, before reporting same to the New York State Central Register of Child Abuse and Maltreatment.
  4. Submit a copy of the written report in a sealed envelope immediately to the Deputy District Superintendent who shall maintain such reports in dedicated files. Copies of the report shall not be filed in the student's records.

- C. SUBSTANCE OF WRITTEN REPORT. The written report that must be filed pursuant to II.A.2, above, shall be on forms provided by the Commissioner of Social Services which can be found online at <http://ocfs.ny.gov/main/cps/> and a copy of which is attached. The written report shall include:

- E. RESPONSIBILITIES OF SCHOOL PHYSICIAN. The school physician shall notify the appropriate police authorities or the local child protective service to take custody of any child that the physician is treating, whether or not additional medical treatment is required, if the physician judges that the child is in danger.

If sexual abuse of the child is indicated, then the school official shall be of the same sex as the child.

Any properly authorized CPS interview is to be conducted without prior notice to the child's parent, custodian, guardian, or any other person responsible for the child's care at the relevant time. Before any child attending a school or program operated by Questar III is interviewed by a person purporting to be a CPS worker or official, and before any such person is authorized to inspect any records of any Questar III pupil, the school official to whom the person has presented herself or himself shall examine the person's credentials and verify their authenticity, as well as their authority to conduct an interview of a child.

I. **ON-GOING TRAINING FOR MANDATED REPORTERS.** All Questar III employees who are mandated to report suspected child abuse may be required periodically to attend or undertake refresher training regarding identification and reporting of all cases of suspected child abuse.

J. **DISTRIBUTING REGULATIONS TO EMPLOYEES.** Questar III shall distribute a copy of these regulations and the related Board of Education policy to employees mandated to report suspected child abuse or maltreatment. The policy and regulations shall be incorporated into the employee handbook.

Questar III shall provide appropriate employees with information from the Office of Alcoholism and Substance Abuse Services on recognizing the signs of an unlawful methamphetamine laboratory.
- O. EXPUNGEMENT OF RECORDS WHEN REPORT DEEMED UNFOUNDED.
