The Hudson City School District advances the intellectual, social and emotional development of all students to prepare them for college, career and citizenship.
Colleagues:

I am writing to remind you of the 30 day period for submitting comments concerning the OPEB forensic audit and preferences for the credit period.

The 30 days will lapse on August 23. It is critical that each district review the various scenarios and at a minimum express a preference for a 5, 7 or 10 year draw-down option.

Each component board member and superintendent has been sent a letter referring them to the OPEB related materials posted on our website. If you have any questions or I can be of assistance in any way, please contact me.

Thanks. Jim B.
