ENHANCE YOUR EXPERIENCE! Let’s work together to make GASB 75 more efficient, less time consuming, and enjoyable.

**SIGN-UP TODAY AND RECEIVE:**
- A complimentary on-site visit to review your GASB 75 data collection process.
- Ideas and suggestions that will help your process become more efficient.
  - Assistance with downloading reports from WinCap, Finance Manager or nVision.
  - Template of data needed for GASB 75.
  - Regular reminders for required updates.

**OVERALL BENEFITS:**
- **Time Savings:** Will help alleviate the time and energy required to collect the information needed for GASB 75.
- **Accuracy:** More accurate data equals more accurate reporting.
- **Delivery:** With regular updating made easier, sending your district’s information to Questar III will be much simpler and your report will be completed that much sooner.
