

COSMETOLOGY

Students acquire essential cosmetology skills to prepare for a lucrative career in the beauty and spa industry! Through a blend of hands-on training and classroom instruction, students learn a wide range of skills, including hair cutting and styling, hair coloring, textured hair care, skincare, makeup application, nail technology, customer service, and salon management. With access to professional grade tools in their state of the art salon, students invite the public in for clinics to gain real-world experience as they prepare for the New York State licensing exam.
