

# EMERGENCY MEDICAL TECHNICIAN (EMT)

Students prepare for a critical role in emergency medical services through rigorous classroom instruction and hands-on training. They develop life-saving skills in patient assessment, basic life support, trauma care, and emergency medical procedures while sharpening their decision-making, communication, and safety protocol skills. Through rotations at Columbia Memorial Health and local ambulance agencies, students are exposed to real-life situations and are well prepared for the NYS EMT-B exam.

## CAREER OPPORTUNITIES:

- Emergency Medical Technician
- Emergency room technician
- Paramedic
- Patient care technician
