INSTRUCTIONAL TECHNOLOGY CONTRACT CONSORTIUM – FREE

CONTRACTUAL RELATIONSHIPS

Certain vendors provide free services to the District under specific terms and conditions that each school must sign to use the product. New York has a law -- Education Law 2-D -- that sets rules for data privacy and security. Erie 1 BOCES has agreements with these vendors that cover only the requirements of Education Law 2-D. Schools can opt into these agreements for legal compliance, but each school still needs to sign the vendor’s terms and conditions separately to use the free services.

Contract Consortium

Districts need to procure these products through their local ITCC or sister ITCC that participates in the Contract Consortium and supports the product.

Note: All new vendors are working towards a contractual agreement.
