

NURSING ASSISTANT

Students prepare for a rewarding healthcare career through a blend of classroom instruction, hands-on learning, and clinical experience. They acquire essential patient care skills, including taking vital signs, assisting with daily living activities, infection control, and basic nursing procedures. Our partnership with local nursing homes provides students with valuable real-world clinical experience. The program emphasizes compassionate care, effective communication, and adherence to healthcare standards. Upon completion, students have the knowledge and hours required to take the NYS Certified Nurse Assisting exam.

CAREER OPPORTUNITIES:

- Hospital nurse assistant
- Nursing Assistant
- Nursing home/adult home assistant
- Rehabilitation aide
- Continued training for LPN/RN or other medical fields
